

# Nature Collective

CONNECT. EXPERIENCE. PROTECT.

**CALENDAR RELEASE**      **January 15, 2021**

## **Virtual Connections to Feature Dunes, Tidepools, and Journaling**

Nature Collective Takes Viewers to Local Seashore Habitats for Up-Close Discoveries Online

### **Virtual Connections: Nature Journaling**

January 23, 30 and February 6: 10:00-11:00 am

Virtual, Register: [www.thenaturecollective.org/events](http://www.thenaturecollective.org/events)

Cost: \$20 for entire series

Educators are invited to join interactive trainings to inspire the skills to lead nature journaling lessons. The series includes three introductory lessons that lay the groundwork for nature journaling, and an additional five lessons using approaches to observation that challenge and engage students to ask questions and make conclusions using higher-level thinking skills. Journaling provides opportunities for kids to engage in science practices and to strengthen their connection to the natural world.

### **Virtual Connections: Dunes**

Thursday, January 28: 12:00-12:45 pm

Virtual, Register: [www.thenaturecollective.org/events](http://www.thenaturecollective.org/events)

Who digs in the dunes? Unearth the science of coastal sand dunes and learn how to protect these fragile habitats! Join the online guided tour of the Cardiff Beach Living Shoreline, where rare birds and plants are able to thrive in these special shoreline places. Made possible with support from: Ocean Protection Council + Coastal Quest + California State Parks + City of Encinitas. Complimentary Experience.

### **Virtual Connections: Dunes**

Thursday, February 4: 12:00-12:45 pm

Virtual, Register: [www.thenaturecollective.org/events](http://www.thenaturecollective.org/events)

Learn about local Marine Protected Areas and become a Tidepool Ambassador! Join the online guided tour of Swami's State Marine Conservation Area at low tide and learn about the animals that live on the edge of land and sea. Tidepool Ambassadors will learn how to protect these fragile habitats. Made possible with support from: Ocean Protection Council + Coastal Quest + California State Parks + City of Encinitas. Complimentary experience.
